Business registration, documents, bank details

The image shows a mobile app interface for 'Partner onboarding'. At the top, there is a blue header with a back arrow and a building icon. Below the header, the title 'Partner onboarding' is displayed. A subtitle reads: 'Register as a vendor. Fill details and upload verification documents.' The main section is titled 'Partner type' with the instruction 'Select one option'. There are three selectable options: 'Water Supplier' (with a water drop icon), 'Delivery Agent' (with a bicycle icon), and 'Other' (with three dots). Below these options are three input fields: 'Business / Vendor Name' with a building icon and placeholder 'Enter business name', 'Contact Person Name' with a person icon and placeholder 'Enter contact person name', and 'Email' with an envelope icon and placeholder 'Enter email'.

Partner onboarding

Register as a vendor. Fill details and upload verification documents.

Partner registration with vehicle details

The image shows a mobile app interface for 'Delivery partner' registration. The screen has a blue header with a back arrow and the title 'Delivery partner'. Below the header, there is a section titled 'Vehicle type' with six buttons: 'Bicycle', 'Cycle', 'Bike', 'Minivan', 'Truck', and 'Camper'. Following this are five form fields, each with a label and an asterisk indicating they are required: 'Name *', 'Email *', 'Phone *', 'Password *', and 'License document (URL or ref)'. The last two fields are labeled 'Optional' inside their respective input boxes. The interface is clean and modern, with a light blue background for the form area and a dark blue header.

Multi-step corporate company signup

The screenshot shows a mobile app interface for setting up a corporate account. The screen is titled 'Step 1 of 2: Company Details' with a back arrow. The main heading is 'Corporate Profile' with a subtitle 'Set up your corporate account for bulk water management.' Below this are several input fields: 'Company Name' with a placeholder 'e.g. H2O Systems Pvt Ltd', 'Corporate Email' with a placeholder 'admin@company.com', 'GST / Tax ID' with a placeholder 'Enter registration number', 'Number of Offices' with a numeric input set to '1', and 'Number of Employees' with a numeric input set to '0'. At the bottom, there is a section for 'Company Incorporation Doc (optional)' with a dashed box for the document upload.

Step 1 of 2: Company Details

Corporate Profile

Set up your corporate account for bulk water management.

Company Name

e.g. H2O Systems Pvt Ltd

Corporate Email

admin@company.com

GST / Tax ID

Enter registration number

Number of Offices

- 1 +

Number of Employees
